

Roller (1.945 m) - Mitterjoch

Lonely forest hike with surprising views

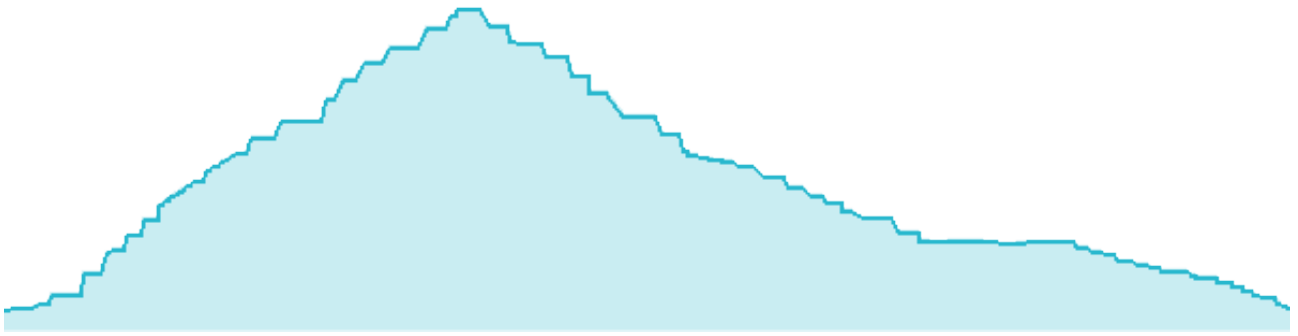

From the entrance to the Wimmertal, walk along the main road for a short distance until a narrow driveway branches off to the left. After a few meters you reach the path to the roller (1,945 m). Now begins an enjoyable forest hike on a steadily ascending path and you reach the summit in about 2.5 hours.

Return via the Wimmertal back to Gerlos-Gmünd.
