# Winterhiking Rosenalm

**Small family-friendly hike to and around the Spruce Lake.**

From this season on you can also visit the new Spruce Lake on the Rosenalm in Zell am Ziller in winter. The easy 1-hour hike (way there & back) starts directly at the top station of the Rosenalm cable car and leads below the baby lift for a short downhill section before crossing the lift track from Plattenanger 2 on the right. Special care and consideration is required for the arriving t-bar lift users. After approx. 200 m turn left at the fork and follow the path to the Spruce Lake. Once you arrive at Spruce Lake, you can still stroll around the reservoir and enjoy the special winter atmosphere. Return to the top station along the same path.
