447 - Wildgerlostal

Beautiful mountain bike tour around the Durlassboden reservoir and into the Wildgerlostal valley - an extraordinary nature experience.

The tour starts at the music pavilion, up to the Auerschlag junction. Via a forest path, the route leads through the forest and over the Bärschlagalm in the direction of Alpengasthof Finkau. On the way back, keep to the right (watch out for car traffic) and continue to the lakeside junction. Here the wide road ends and a hiking trail (watch out for hikers) takes us back to the Seestüberl. At the foot of the dam, follow the main road uphill for about 1 km. At the bend we turn left and bike down a forest road (toboggan run winter) to Gerlos.
