

## Krimmler Tauernhaus - Warnsdorfer Hut - Gamsspitzl

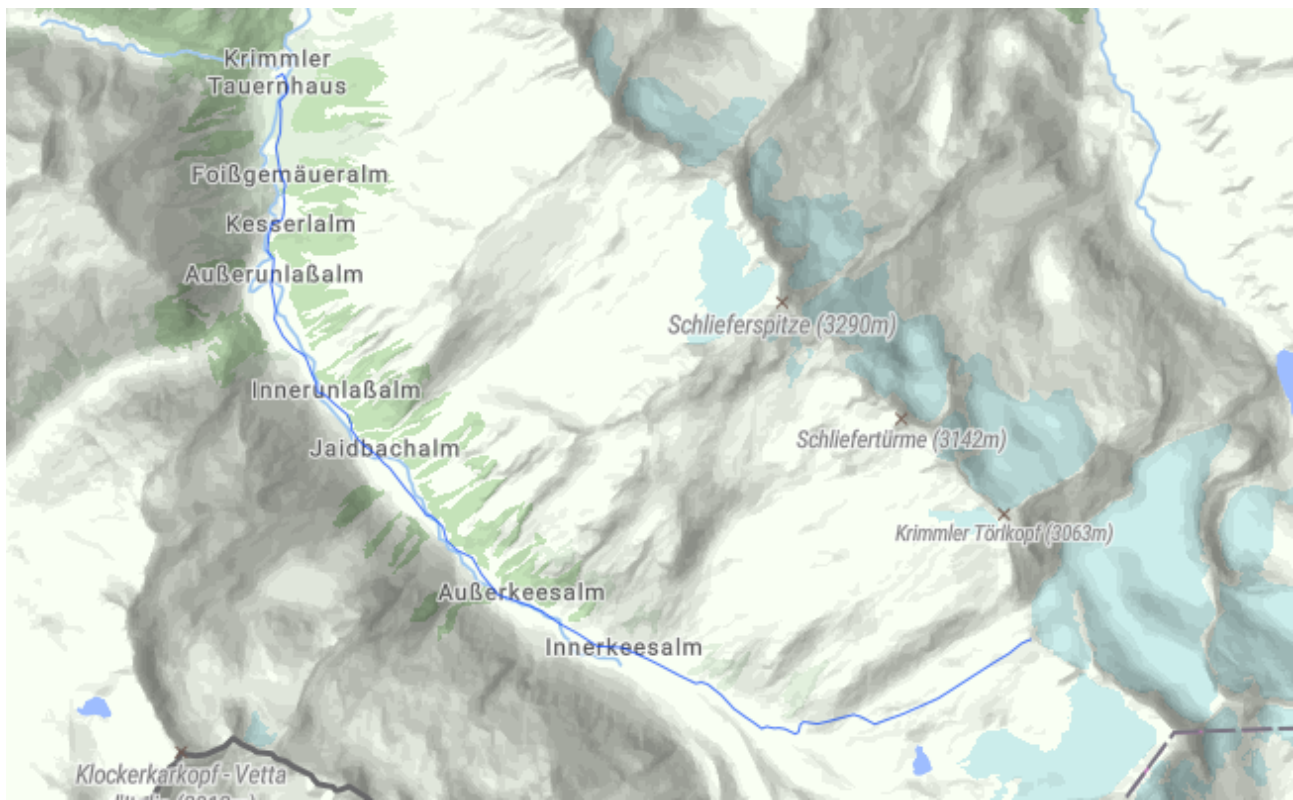

Enjoy this hike to the ÖAV Warnsdorfer Hut in the beautiful Krimmler Achental with the impressive Eisseer and home mountain Gamsspitzl.

From the [Krimmler Tauernhaus](#) you hike to the end of the Krimmler Achental valley. On this path you pass several alpine pastures. Shortly after the Innerkees Alm, the hiking trail to the [Warnsdorfer Hut](#) branches off to the left. This managed shelter offers a good opportunity to stop for a break. From here, you have the possibility to climb the hut summit - the Gamsspitzl. From its peak, you have a wonderful view of the High Tauern. If you want to take it a bit easier, you reach the Eisseer, an impressive glacier lake, about 15 minutes from the hut.
