# Zellbergeben trail

**Closed**

Easy cross-country skiing trail - also ideal for beginners. You can park at the leisure park Zell. From there, walk past the ice skating rink and cross the pedestrian bridge to Zellbergeben. The cross-country skiing trail starts directly on the opposite side of the road. The 2.2 km long circuit offers ideal conditions for classic cross-country skiing and is also ideal for beginners due to the small difference in altitude.
