443 - Arena Panorama Tour 1

The classic bike tour - from Zell am Ziller to Gerlos with an unobstructed view of the Zillertal Alps!

The tour from Zell over the Gerlosberg to the Kreuzwiesenalm for almost 15 kilometers in easy ups and downs which leads to the Gerlos ski area (Isskogelbahn mountain station). A varied descent (note: caution, as agricultural vehicles are to be expected here) brings bikers down to Gerlos-Gmünd, from where you can return to the starting point via the main road. Route character: long ascending driveway, flat sections, asphalt, gravel.
